

# Sermon27

## XLS number miracle 3 Nov 2020

This is brief description of the Miracle in the Sermon 27.

Explanation is in the video

1-

We start with this link

[https://vegan-religion.org/videos\\_links\\_in\\_pcloud.html](https://vegan-religion.org/videos_links_in_pcloud.html)

This is the webpage that excel made. There is a bug in it.

Bug is a link for one of the numbers. It must have that link. None of the other numbers have a link. This one has a link. It was made by excel as an error, a bug. But that bug was created by God. It was a sign.

Can detect it	
Firefox on windows	No
Edge on windows	No
Safari on windows	No
Safari on IOS	Yes

You need to open that webpage with safari on ios to see it. Other browsers do not show the bug

2-

This the bug. This number: 1722.....

53	402427669
59	<a href="#">1722637099</a>
5	14018164
47	111521978

3-

When we divide that number, 1722... by 11, the result is this number:

90,665,110.47368421052632

There is a clear 110 in the number. This is the sign.

What is 110?

Read and learn about it in the **Holy Vegan Earth book**.

That is the last book of God

110 means Victory

4-

When I go to the code of that webpage, on the line 660, (yellow highlighted) I see, excel made a link.

It must not be there. Other lines (highlighted by green) that are in similar manner do not have that link. I explained in the Sermon 27 (near the end of the video) How God created that. (briefly)

In one of the previous Sermons I explained (extensively) how God does this type of hacking in the Quantum Scale.
